Get started!

We are glad that you have chosen to offer benefit bike leasing with Lease a Bike.

To get the most out of this benefit it is important that you use our guide and information material to effectively inform and inspire your employees. Our experience shows that this is the key to making the benefit successful. After all, it is only when your employees have jumped on the saddle, that all the benefits of cycling come to life!

If you have further requests, suggestions or have any questions - do not hesitate to contact a Lease a Bike colleague.

Together, we can make sure to make benefit bikes at your workplace a success story!

1. Inform your employees via newsletter/email

Use the email template below to inform and inspire your employees about benefit bikes with Lease a Bike. Don't forget to add your organisation-specific information in the **orange fields**. You can always find your unique registration link in the Portal → Infocenter.

Subject line: You can now lease a benefit bike with Lease a Bike!

Dear employees,

To promote a greener and healthier workplace, we now offer bike leasing with Lease a Bike!

As a permanent employee, you can now lease your dream bike and pay through a gross salary deduction and thus [save up to 40%](#) compared to private bike purchase. Choose a bike freely from over [250 connected dealers](#) and lease for 36 months, with the option to buy the bike out at a beneficial price afterwards. If you don't need a bicycle yourself, you can lease one to someone else in the household!

In this video, it is simply explained what a benefit bike actually is and why it is so advantageous to lease instead of buying privately (in Swedish): [Onboarding-video](#)

Get started in 5 easy steps:

1. Register in the portal here: [\[Registration link\]](#)
2. Do a Quickstart (request to lease)
3. Visit a [local dealer](#) or order your dream bike [online](#)
4. Approve the quote digitally in the portal
5. Start biking!

Each leased bike includes the market's best comprehensive insurance with SEK 0 excess, which covers you in the event of theft and damage to the bicycle. Choose an affordable service package for extra security!

You will find more information and general conditions on the intranet.

Do you have additional questions? The support team at Lease a Bike is happy to help you and is available every weekday from 9:00–17:00 (closed for lunch at 12–13) and can be reached via support@leaseabike.se, on [010 – 516 47 44](tel:010-5164744) or chat at leaseabike.se.

2. Inform employees via intranet

Does your company have its own intranet? If so, you should publish information about the benefit there as well. Choose which of the two proposals below that suits you best. Don't forget to include your unique [registration link](#), so your employees can access our portal and get started with benefit bikes easily!

Proposal 1: Get started with new health benefit!

We want our employees to feel good and stay active. That's why we now offer the opportunity to lease your dream bike through us. Together with Lease a Bike, you can easily get started with a benefit bike in just a few steps! By leasing a bike, you can save up to 40% compared to buying it privately – and of course you can use the bike both for commuting and in your free time. Always including the market's best comprehensive insurance with SEK 0 in excess, that protects you in the event of theft and damage to the bike. Also included is a take-back guarantee in case of changes of employment.

Get started in 5 easy steps:
